

Frank! My dearest beloved brother!

I love you for being the constant sunshine throughout my life.

I love you for looking out for me.

I love you for your intellect and the endless discussions we had every week.

I love you for your energy and humour.

I love you for your compassion for the world and those around you.

I love you for your music and when we sang together.

I love you for bringing Michal into our lives and creating the most wonderful family of sensitive and creative people.

Frank, I will always love you.

Although you left too soon, enjoy your new adventure and be in peace as we will do our best to bring light into the world on your behalf.
